

# NOVA SCOTIA UTILITY AND REVIEW BOARD

## NOTICE OF PAPER HEARING

The **Halifax Water Regional Commission** applied to the Board to revise its original funding request from \$10,000,000 to \$11,970,000 for design services and a Construction Management at Risk allowance during the design phase for the delivery of the Mill Cove Wastewater Treatment Facility Expansion & Upgrade project. Halifax Water states this increase reflects a \$2 million allowance for a Construction Manager team. The procurement of the Construction Manager will be done through a competitive public procurement process.
